New Spiritual Journey Book

This life will eventually carry us through a wilderness, a period of life epitomized by hardships, suffering, wandering, and grief. The wilderness can also be a time to withdraw from the world, to give up something of significance in order to think, pray, read, and gain spiritual insight on life.

Finding Our Way through the Wilderness by Erica Cooper and Michael Helms is designed to help those who are in a wilderness by no choice of their own and those who choose to enter the wilderness to prepare spiritually for the arrival of Easter or the next part of their journey. Readers will emerge from the wilderness stronger, healthier, wiser, and better equipped to continue on their way.

An e-book copy can be purchased for \$6.99 from www.thefaithlab.com. You can order a print copy for \$18.00 from FBC Jefferson, 81 Institute Street, Jefferson, GA 30549.
