Hurricane Season Has Begun

While hurricanes are not the only culprits that can wreak havoc in our communities, they do get widespread news, and we all are on edge when one gets close. Tropical Depression Beryl was a quiet reminder that we all need to be ready. Our families and our churches need a plan in case damage comes to us. We as a fellowship of churches need a plan too. Tommy Deal has agreed to be the disaster response coordinator for CBF/GA. He wants to be able to assist our churches in garnering the resources necessary to minister within their communities. He wants to be able to call upon the family of CBF/GA to help with requests for supplies and/or volunteer expertise when they come in from within our state or beyond. Tommy has begun to contact church pastors in order to establish connections and points of contact. He is also working on mapping of all the assets each church has available (people, skills, equipment, facilities, etc.). You can help by contacting Tommy and sharing this information at tdeal@cbfga.org. To be added to the email distribution list online, click [here](#). Opening for Advocates

If you have an interest in serving as a CBF/GA advocate in your congregation, please let us know by contacting Kelley Dixon at kdixon@cbfga.org or 742-742-1191, ext. 26. At the present time, we have about fifty advocates. We will be glad to send you a list of responsibilities. A luncheon for advocates is being planned, and we want to be sure that those who wish to serve in this role receive an invitation.
