### Attend Screening of DVD on Baptists and Race

The Baptist Center for Ethics will host a lunchtime screening of its new DVD *Beneath the Skin: Baptists and Racism* on November 13 at Smoke Rise Baptist Church in Stone Mountain. Cliff Vaughn will moderate the panel discussion and talk about ways to use the DVD in churches. According to *Beneath the Skin*, racism is far from eradicated either inside or outside of the church, but it shows how many Baptists are working together to break down dividing walls of race and ethnicity. If you would like to order this DVD or watch a clip, click [here](#).

Passport, Inc., is holding interviews this fall for youth and children's camp staffers. If you are able, apply or invite others you know to apply. [Read More](#)
