CSF Looking for New Students

CBF/GA sponsors three collegiate ministries on the campuses of Georgia Tech in Atlanta, University of Georgia in Athens, and Mercer University in Macon. These CSFs are part of a larger network in the southeast. Each year we look forward to involving new students in our groups, so updated information on rising college freshmen is important in continuing this ministry. To help with this need, CBF/National has created a survey to find out where recently graduated seniors are attending college in the fall. To fill out the survey, please visit http://www.surveymonkey.com/s/PL9968P.

For more information on the CSFs in Georgia, go to http://cbfga.org/53/College, or contact Laura Foushee at foushee@cbfga.org.
