

2023 State Mission Offering

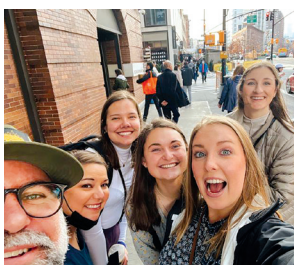

GOD'S STORY, OUR STORY, YOUR STORY

Assisting two CBFGA emphases:

 Helping start Blue Mountain Church, Blairsville, Georgia

 Supporting Collegiate Ministry in Georgia

Blue Mountain Church, through the vision and leadership of Nathan and Carrie Dean and their family, has specific needs which the CBFGA funds will help address. Those needs include finishing the building construction already underway, expanding programming and fellowship opportunities, and community outreach in the Blairsville area.

CBFGA Collegiate Ministry funds will help offset costs for the statewide Spring Break Mission Trip to Washington, D.C., in conjunction with CBF's Advocacy in Action emphasis, and expanding programming and fellowship opportunities for college students in our state.

Please give generously to support these two significant ministries.

State Mission Offering gifts may be made in several ways. You may use the contribution envelope included in this issue of *Visions* to mail a check directly to CBFGA, or you may give online, www.cbfga.org/donate/.
